Our stainless steel sinks are functional, beautiful, and feature a brushed finish that conceals scratches and resists corrosion. The exterior of the sink is surrounded with sound dampening pads to help reduce noise. The sink's gauges come in a variety of thickness depending on your kitchen needs, which are great for indoor and outdoor use. Standard options include: kitchen, ADA, bar, and industrial.

Our sinks unite rich natural texture with durability. Every sink is crafted from a high quality blend of 80% quartz composite and 20% acrylic material which offers superior surface protection from scratching and staining.

The smooth surface is easy to clean, withstands high temperatures, and offers antibacterial defense—keeping your family safe from germs.
