We are not responsible for any errors in fabrication We reserve the right to change dimensions/features/style without notice. Please double check actual sink measurements before you make any plans to template or install. We will not accept the sink back because it did not fit. Please use this general rule as a guide to ensure you are purchasing the correct size sink. Purchase the sink which is 3 inches smaller than your sink base cabinet or have the cabinet created custom to fit it.

All special requests for unique sizes, styles, colors, etc please write to custom@strictlykb.com
