

# R28R-ADA Specifications

This 30" x 18" x 5-1/2" ADA-compliant kitchen sink is constructed from premium T304 stainless steel and offered in both 16- and 18-gauge options for lasting durability and corrosion resistance. Designed with accessibility in mind, its shallow 5-1/2" depth and off-center drain provide both comfort and practicality. Fully insulated and sound-deadened, this sink delivers a quieter kitchen experience while its clean, modern finish complements any space with ease.
